Dear John:

As you know I am retiring as Chief of the Labor Section, SI, effective 13 October 1944, and I am also resuming my former civilian status as of that date, having been placed on inactive duty by the War Department.

On the occasion of my retirement as Chief of the Labor Section I want to convey to you my thanks and gratitude for the many kindnesses, both personal and official, you extended to me in your capacity as Chief of the New York Office of OSS. Your cooperation in no small measure made possible whatever success our Section enjoyed in the work in which we were engaged in New York.

Although our formal relationship is now ended, I shall look forward to friendly association with you in the future. With kindest personal regards, I am

Yours most cordially,

Arthur J. Goldberg
Major, AUS
